Super Story

R' Chanina Ben Dosa once asked his daughter to prepare the Shabbos candles by putting in the wicks and pouring in the oil. Once the candles were lit, R Chanina started going to shul when his daughter chased after him crying. He asked her what the matter was and she replied "Abba, I made a terrible mistake! Instead of putting in oil, I accidently put vinegar into the candles. Now we won't have lights for Shabbos!" R' Chanina turned to his daughter and said "just like Hashem commands the oil to burn he can make the vinegar burn as well." And that is exactly what happened, the candles burned for the entire Shabbos until it was time for Havdalah.
